Looking for any opportunities to gain experience and skills; work experience, apprenticeships, internships or entry/junior positions. I would appreciate an interview to discuss this further.

Personal Statement:

I am a hard working, conscientious and trustworthy individual. I am honest and reliable. I strive to confront problems to the best of my ability and work well with others.

Programming History:

GitHub Profile: <https://www.github.com/martynhorslen>

Projects include a PHP, MySQL and Bootstrap forum and a Codecademy course project creating routes for HTTP Requests in NodeJS & Express. I'm currently working on building the Asteroids arcade game following a tutorial ebook and experimenting with building and deploying Express servers onto the Google Cloud Platform.

October 2021 – March 2021

Purchased a 'Pro' subscription for Codecademy and currently studying a 'Back End Engineer' programming course there. The course includes modules on Node.js, Express.js, PostgreSQL and GIT.

Codecademy profile: <https://www.codecademy.com/profiles/martynHorslen>

'Back End Engineer' course: <https://www.codecademy.com/learn/paths/back-end-engineer-career-path>

Work History:

March 2021 – May 2021

Full time Temporary Retail Assistant on the Gardens department at The Range. Restocking, making POS displays and assisting customers to find products, place orders and checkout.

January 2018 – December 2020

Professional Poker Player. Some key skills include understanding statistics, game theory, pattern recognition, self-motivated, time management, reviewing performance and seeking improvement.

November 2017 – December 2017

Seasonal Night Shift at Tesco. Duties included restocking shelves, receiving deliveries, light cleaning, applying security tags to age restricted products and assisting customers to find products.

February 2014 – April 2015

Quality Control / Data Entry at JobServe. The role involved checking database information against client submitted documentation to make sure records were accurate.

Personal Achievements:

July 2021 – September 2021

Hiked 600 miles around the coast from Ipswich to the Scottish border and raised £1000 for charity. Full details can be found at <https://www.justgiving.com/600>.
